To whom it may concern:

Robyn's Transport has been using CayCan for over 6 months to do CVSA like audits of our fleet. The results have been dramatic; as part of our overall safety program, our CVSA profile has seen huge gains.

Doug and CayCan came highly recommended. His knowledge of the inspection process, his rapport with the drivers and his patience and flexibility have made this a key part of our safety program. We are very proud to say that we work with CayCan.

Sincerely,
